

# CLAMS ARE GREAT!

When we are feeling sad and low, one of our favorite games to play at CLIMB is Clams Are Great! It's a silly game where anything goes! No wrong answers here! This game helps you smile and remind you how creative and awesome you are!

## Directions:

1. Grab some friends!
2. Stand in a circle and have one person starting in the center
3. The person in the center is going to say, "CLAMS ARE GREAT BECAUSE..." They can end the sentence however they would like. It doesn't have to make sense!
  - Examples:
    - "Clams are great because they love chocolate!"
    - "Clams are great because they like to wear red high heels"
    - "Clams are great because I love baseball!"
  - Any answer that is school appropriate is correct!
4. Once the person in the center says their sentence, the rest of the circle will agree and say "OH YEAH!!!!"
5. The person in the middle says 3 reasons why clams are great and then they will switch spots with someone else in the circle. Now it is there turn to come up with 3 reasons.
6. The game is usually over when no one can talk anymore because they are laughing too much!
  - \*ps. The faster the game goes, the funnier it is. Don't think too hard; just say whatever comes to your beautiful brain first!
